

**ChemTECH**  
**WORLD EXPO 2022**

**30<sup>th</sup> International Exhibition & Conferences**

**8-11 June 2022**

Jio World Convention Centre, Mumbai, India.

**REPORT**  
**2022**

**CONCURRENT CONFERENCES**

## Process Industry's Gateway to Indian Market

## 31<sup>st</sup> International Exhibition and Conferences

**4-7 March 2024**

**Venue:** Bombay Exhibition Center, Goregaon (East), Mumbai, India

### Concurrent Events

### Scope for ChemTECH World Expo 2024

- Plant Machinery & Industrial Consumables
- Engineering Consultants
- OEMs for Chemicals & Pharmaceutical Processing Equipment
- Metals & Metallurgy
- Bioprocessing Equipment
- Construction Services Providers
- Plant Maintenance Services Providers
- Logistics & Supply Chain Solutions Providers
- Instrumentation & Process Control
- Industry Automation (Process & Factory)
- Systems Integration & ERP Solutions Providers
- Water & Waste Water Treatment Consultants
- Environment Solutions Providers
- Waste Management Consultants
- Financial Institutions
- Fire & Safety Solutions Providers
- Material Handling Solutions
- Certification Bodies
- Welding Solutions
- Quality Health & Environment Solutions
- Analytical & Laboratory
- Packaging Materials, Machinery & Systems
- Business Consultants

### Scope for Specialty Chemicals World Expo 2024

- Agrochemicals Intermediates
- Adhesives & Sealants
- Agrochemicals & Crop Protection
- Bulk Drugs & Intermediates
- Enzymes
- Colorants, Dyes & Pigments
- Cosmetics & Personal Care Ingredients
- Hygiene & Cleaning Chemicals
- Laboratory Chemicals
- Surfactants
- Water Treatment Chemicals
- Catalysts
- Electronic Chemicals
- Flavours & Fragrances
- Contract Manufacturers

### Scope for Biopharma World Expo 2024

- Materials Processing
- Pharma Ingredients
- Plant Engineering, Process Plants & Equipment
- Laboratory & Analytical Solutions
- Process Measurement & Inspection
- Sterilization & Clean Room Solutions
- Biopharma R&D And Manufacturing
- IT Solutions
- Pharma Machinery
- Water & Waste Treatment Solutions

### FACTS & FIGURES - CHEMTECH WORLD EXPO 2022

**300+** EXHIBITORS | **19350** VISITORS | **20** COUNTRIES | **6** CONFERENCES | **150** SPEAKERS | **650+** DELEGATES | **200** STUDENTS

## Benefits for Exhibitors

- ✓ **Business Interactions:** Meet over 800 exhibitors from across the entire value chain of the chemical process industry
- ✓ **Strategic alliances:** Interact with the entire supply network across the Chemical, Pharma & Biotechnology sectors from a single location
- ✓ **Market analysis:** Evaluate the Indian consumption market and get feedback with over 25,000 visitors walk-ins over 4 days

Organised by:

**Jasubhai Media Pvt Ltd**

Taj Building, 3<sup>rd</sup> Floor, 210, Dr. D N Road, Fort, Mumbai – 400 001, INDIA.

## LEARNINGS FROM PANDEMIC: ADOPTING TO THE NEW NORMAL

DAY - 1 : 8<sup>th</sup> June 2022

This edition of tradeshow was planned under the overarching theme **'Learnings from Pandemic: Adopting to the New Normal'**. The leaders of central advisory boards and members of advisory committee had taken cognizance of Megatrends of Achieving Carbon Neutrality, Geopolitical Shifts, Workforce Reskilling, Digitalization and relevant emerging trends across industries while structuring high powered content for each of the conferences and identified the subject matter experts to share experience & knowledge in thematic sessions during 3 days of deliberations.

(L to R): H.E. Katharina Wieser, Mr Subramanian Sarma, Mr B Narayan, Mr. Maulik Jasubhai, Mr. Suresh Prabhu, Member of Rajya Sabha, Govt. of India & Mr. Sanjay Joshi.

**CONFERENCES**

Mr. Suresh Prabhu, Member of Rajya Sabha, Govt. of India inaugurated the event as the Chief Guest along with H.E Katherina Wieser, Ambassador of Republic of Austria to India as the Guest of Honour. Mr B Narayan, Group President, Procurement & Projects, Reliance Industries Ltd, Mr. Subramanian Sarma, Wholetime Director & Sr. EVP Energy, Larsen & Toubro, Mr. Sanjay Joshi, Director Aker Carbon Capture addressed the august gathering during the inaugural. In the following sessions for EPC conference, Mr R Ganesan, Head Corporate Centre, L&T Construction led the discussion with Mr. Gautam Chainani, Advisor, Epsilon Carbon Pvt. Ltd, Ms. Tone Helene Aarvik, Deputy Consul General, Norwegian Consulate General, Mumbai and Mr. Shailesh Kumar, Chief Data Scientist -CoE/AI/ML, Reliance JIO on workforce reskilling & restructuring . Mr P D Samudra Chaired the session on Roadmap to Net Zero and interacted with the experts on Coal Gasification, Science based approach to Net Zero, Technology Initiatives "Net Zero" Waste Discharge & Resource Recovery, Climate Financing with Mr Naveen Ahlawat, Head Coal Gasification Projects, Jindal Steel & Power Ltd, Ms Cecilia Svenson, EVP Communication & Sustainable Transformation, Perstorp & Mr. Divakaran Kaiprath, MD, Perstorp Chemicals India Pvt. Ltd., Mr. Ajay Popat, President, Ion Exchange India Ltd and Mr. Gagan Sidhu, Director - Centre for Energy Finance, CEEW.

## LEARNINGS FROM PANDEMIC: ADOPTING TO THE NEW NORMAL

DAY - 2 : 9<sup>th</sup> June 2022

(L to R): Mr. Dharmendra Gangrade, Mr Satish Palekar, Mr Hemant Kudtarkar, Mr Sameer Parikh & Mr Mahesh Khetan

On the 2nd day of EPC Conference, Dr. Samiran Chakraborty, Managing Director, Chief Economist, India, Citi Research, Citigroup Global Markets India Private Limited presented the talk on Global Headwinds & India's Fundamentals and interacted with the audience. Mr. Vinayak Pai, MD, TATA Projects, Mr. Ashwini Kumar, Director, Afcons Infrastructure Ltd, Mr. Anil Kumar Garg, Sr. VP, Reliance Industries Ltd., Mr P G Waray, COO & ED – Project Execution, thyssenkrupp Industrial Solutions (India) Pvt. Ltd, Mr. Ramanna Kumar, VP Operations India & Asia Pacific, Technip Energies participated in the panel discussion Improving Operational Efficiency & Productivity across engineering & construction.

Mr. Satish Palekar, EVP & Head L&T Power addressed and interacted with the audience on the 2nd day in the panel discussions on Addressing the Logistics Challenge. Panelists were Mr. Hemant Kudtarkar, Head – Procurement, Logistics & Inspection, Toyo Engineering India Ltd, Mr. Sameer Parikh, Chief Business Officer, J M Baxi Heavy, Mr. Mahesh Khetan, VP & Global Head – Supply Chain, Mumbai, Grasim Industries and Mr. Dharmendra Gangrade, Jt GM – Corp SCM & Logistics Management Center, Larsen & Toubro

(L to R): Mr. Ashwini Kumar, Mr. Vinayak Pai, Mr Ramanna Kumar, Mr P G Waray & Mr. Anil Kumar Garg

(L to R): Mr. Prashant Hosangadi, Mr. Anil Parab & Mr. Lalit Sankrani

Mr. Anil Parab , Sr. VP - Head Heavy Engineering, L&T and Mr. Lalit Sankrani, MD, BHEL- GE Gas Turbine Services Pvt. Ltd shared technical presentations during the session 'Emerging Manufacturing Techniques' which was chaired by Mr Atul Supe, EVP & Head Pune Operations, thyssen krupp Industrial solutions (India). Mr. Prashant Hosangadi, Vice President- Global Digital Platforms, Automation & Data Science, Worley chaired the session on 'Digitalization'

## CATALYZING GREEN GROWTH OF INDIAN SPECIALTY CHEMICALS INDUSTRY

8<sup>th</sup> June 2022

*Ms. Arti Ahuja addressing the audience virtually. (L to R) Mr. Sudhir Sitapati, Dr Raman Ramachandran, Dr Habil Khorakiwala & Dr Dietmar Hueglin on the dais*

Ms. Arti Ahuja, Secretary, DCPC, Govt. of India virtually inaugurated the Specialty Chemicals World Expo 2024 & conference Catalyzing Green Growth of Indian Specialty Chemicals Industry on the same day and addressed the industry gathering. Dr Habil Khorakiwala, Chairman, Wockhardt Group, Mr. Sudhir Sitapati, CEO, Godrej Consumer Products Ltd, Dr Raman Ramachandran, MDP Chairperson and Professor of Practice, KJ Somaiya Institute, Somaiya Vidya Vihar University addressed the audience during the inaugural session. Dr. Dietmar Hueglin, Director Innovation Campus Mumbai, Vice President Group Research (RG/AM), BASF Chemicals India Pvt Ltd presented the Concluding Remarks.

Experts deliberated upon the innovations and initiatives specialty chemicals manufacturers to achieve carbon neutrality and pivotal role of specialty chemicals industry to enable the other industries accomplish their goal to reduce carbon footprint. Mr. Deepak Chander , CEO, Calibre Chemicals chaired the session and interacted with Mr. Santosh Govindraj, Head of Markets & Positioning Sustainability", Novozymes A/S Denmark Novozymes , Mr. Brieux Boisdequin, Vice President, Automotive & Materials – India, BASF, Mr. Vibhor Talreja, Managing Director, Everstone Capital , Mr. Rajesh Grandhe, Manager, Solution Consulting, AspenTech in the session on 'Roadmap for Specialty Chemicals manufacturers to achieve Carbon Neutrality'

(L to R): Mr. Hemant Shetty, Mr. Sudhir Sitapati, Dr Raman Ramachandran, Dr Habil Khorakiwala & Dr. Dietmar Hueglin

(L to R): Dr D Roy, Dr Aloknath De , Ms Ansu Archana, Mr Anirban Ghosh & Mr Adnan Ahmad

Ms. Ansu Archana, South Asia Supply Chain Strategy and Sustainability General Manager, Hindustan Unilever Ltd., Dr. Aloknath De, Corporate Vice President, Samsung Electronics & CTO, Samsung R&D Institute India, Mr. D Roy , Chief General Manager & Head Surface Chemistry, Mumbai High Asset, ONGC and Mr. Anirban Ghosh, Chief Sustainability Officer, Mahindra Group shared how their organizations were approaching carbon neutrality within the four walls and deliberated on interfacing with vendors & suppliers to achieve Scope III compliance. Mr Adnan Ahmad, Former VC & MD, Clariant Chemicals (India) Ltd anchored the session.

Mr Vinod Gupta, CEO, Punjab Chemicals & Crop Protection Ltd moderated the panel discussions on Ease of Doing Business with Mr. Rajendra Gogri, CMD, Aarti Industries Ltd, Mr B V Shetty, Chairman Viswaat Chemicals Ltd and Mr. S Ganesan, Vice President, UPL. The day concluded with the discussion on 'Capability & Capacity Building' anchored by Dr Raman Ramachandran. Prof. Rajasekharan Pillai, Vice Chancellor, Somaiya Vidya Vihar University presented the Keynote Address and joined the discussion with Professor Swaminathan Sivaram, INSA Emeritus Scientist and Honorary Professor Emeritus at IISER Pune and Chair Professor of Eminence, Department of Polymer Science, Somaiya Vidya Vihar University, Mumbai, Mr Zarir Langrana, Executive Director, Tata Chemicals Ltd and Mr. Adnan Ahmad, former VC & MD, Clariant Chemicals India . The panel deliberated upon new technology, new capabilities and capacities will be required to stay ahead and win in the next decade.

## FUTURE REFINING TOWARDS NET ZERO

9<sup>th</sup> June 2022

*(L to R) : Mr Hemant Shetty , Mr B K Namdeo, Mr Prasad Panicker, Mr Sanjay Khanna, Dr SSV Ramakumar, Mr Maulik Jasubhai & Mr Lawrence AG*

With over 200 delegates in packed hall, Mr Maulik Jasubhai welcomed the Dr SSV Ramakumar, Director (R&D), IndianOil Mr. Prasad Panicker, Director & Head of Refinery, Nayara Energy, Mr Sanjay Khanna, Director Refineries, Bharat Petroleum Corporation Ltd , Mr B K Namdeo, Advisor, Ratnagiri Refinery & Petrochemicals Ltd, Mr. Lawrence Ng, Vice President- APJ, AspenTech and industry representatives to the inauguration of conference 'Future Refining towards Net Zero' on 9th June 2022. The theme and the panel discussions resonated with the transition this industry is going through. Panel discussions Renewable Energy & Bio Fuels for Reduction of Carbon Foot Print, Refinery Integration with Petrochemicals & COTC and Future Project Execution Trends in Refineries along with Case Studies for Refining Profitability were very well attended by the professionals from refining, petrochemicals and allied industries and had strong engagement of audience with speakers.

( L to R ) Mr. Anish Paunwala, Mr. Gautham K Reddy, Mr. P. Balaramakrishna, Dr SSV Ramakumar, Mr. Siddharth Mayur & Mr ARS Bhandari

(L to R) : Dr Purandar Chakravarty, Mr Vasudeo Joshi, Dr Anjan Ray & Dr Ashish Lele

(L to R): Mr. Viswanathan R Iyer, Mr. Krishan Tuteja, Mr R Ghalsasi, Mr.Vivek Agarwal & Mr. R G Baruah

(L to R) : Mr. Manish Khandelwal , Mr. Rajesh Samarth , Ms Natalie Kiser, Dr Madhusudan Sau, Mr Prateek Gupta , Mr. Chacko M Jose

Dr Anjan Ray, Director, CSIR- Indian Institute of Petroleum , Dr. Ashish Lele, Director, CSIR – National Chemical Laboratory, Dr. Purandar Chakravarty, Head- Innovation & Alternate Energy , Nayara Energy Limited, Mr ARS Bhandari, CEO, BORL, Dr. Madhusudan Sau, Executive Director, Indian Oil Corporation , Mr. Chacko M Jose, CGM –Kochi Refinery, BPCL, Mr R Ghalsasi, ED–Central Refineries Project Organization, BPCL, Mr. Viswanathan R Iyer, Senior VP, Reliance Industries Ltd., Mr. Vivek Agarwal, Country Manager (India), Petrofac and Mr. R G Baruah, Chief General Manager (Projects), Refineries Head Quarters were some of the speakers who participated in daylong conference in Mumbai. Mr. Supratik Bhattacharya, National Sales Head ROXUL ROCKWOOL Technical Insulation India Pvt. Ltd and Dr. Klaus Brun Director Research & Development, Elliott Group presented Case Studies on Increasing Refining Productivity.

# Industry **AUTOMATION** & Control 2022

## INDUSTRY 5.0: ENVISIONING NEW PARADIGMS IN AUTOMATION

10<sup>th</sup> June 2022

*(L to R): Dr TV Sreekumar, Mr L K Nandakumar, Dr Venkitakrishnan PV, Mr Maulik Jasubhai, Mr U K Bhattacharya & Mr M K Srivastava*

Mr U K Bhattacharya, Director Projects, NTPC Ltd – Chairman, Industry Automation & Control World Expo 2022 steered highly successful edition of automation conference. Mr M K Srivastava, ED Engineering (C&I), NTPC Ltd was instrumental in curation of content with the aim to encourage cross learning from different industries right from Space , Textiles, Oil & Gas , Refining , Chemicals and Power along with technical experts from automation industry and subject matter experts from consulting services. More than 100 delegates attended the 10th edition of automation conference. Dr Venkitakrishnan PV, Distinguished Scientist & Director (Retd.), Prof Satish Dhawan Scientist, ISRO HQ , Dr T V Sreekumar, Director , Bombay Textiles Research Association, Mr S K Handa , Director Projects, Engineers India Ltd. presented Keynote Address during inaugural session. Mr. K Nandakumar, CMD, Chemtrols Industries Pvt Ltd presented the Concluding Remarks during the inaugural session.

*Mr S K Handa addressing the august gathering virtually*

Mr. Pravinchandra Shahu, Head Digital & CIO, Tata Consulting Engineers chaired the session on Digital Transition. Mr S K Balwant, GM Digital , BPCL – Mumbai Refinery & Ms. Anuradha Shenoy, DGM (Digital), BPCL – Kochi Refinery shared their experience of leveraging automation & Digitalization and Mr. Sanjeev Dhinda, Head Of Sales, Digital Business Solutions, Asia Pacific, AVEVA shared insights into application of Digital Twin in Power Projects to improve project efficiency.

*(L to R): Ms. Anuradha Shenoy, Mr S K Balwant, Mr. Pravinchandra Shahu & Mr. Sanjeev Dhinda*

## INDUSTRY 5.0: ENVISIONING NEW PARADIGMS IN AUTOMATION

10<sup>th</sup> June 2022

(L to R): Mr. Sujeet Kumar Choubey, Mr. Prashant Jain, Mr. Debasis Mishra, Mr Dhruv Jain

Mr. Prashant Jain, MD, GE Power India anchored the discussion in the session Leveraging Automation for Race to Net Zero. He shared GE experience and facilitated interactions with speakers. Mr Dhruv Jain, Digital & Industry 4.0 Lead, Aditya Birla Group deliberated on criticality of building sustainable IT infrastructure to achieve net zero. Mr. Sujeet Kumar Choubey, CC EOC, NTPC Ltd and Mr. Debasis Mishra, Digital Alliances Manager & Complex Projects- AP, Schlumberger shared insights into application of digital technologies to achieve short & long term goals to achieve carbon neutrality.

Attendees had interesting interactions in the session AI: The Seed for Hyperautomation with the Conference Convener Mr M K Srivastava, ED Engineering, NTPC Ltd and speakers Mr. Shailesh Kumar, Chief Data Scientist –CoE/AI/ML, Reliance JIO who talked about the concept of Ashtang AI - A contemporary & relevant AI transformational strategy for the Industries of scale and Mr. Lalit Jain, Head of Product Marketing, - Industrial Automation & Mr Suresh Jan Head - Process Industry - Projects, Industry Management and Automation, Phoenix Contact (I) Pvt. Ltd.

*(L to R): Mr Amit Verma, Mr Sharad Joshi, Mr Shubhramshu Patnaik & Dr. Ashish Manchanda on the dais and Dr Chandan Chaudhary on screen*

Greatest learning from the Industry 4.0 era was the understanding that technology alone does nothing. Mr. Shubhramshu Patnaik, Senior Director, Deloitte India moderated the panel discussion Industry 5.0 : Human Machine Collaboration with Dr Chandan Chowdhury, Professor of Operations Management and Information Systems (Practice) Senior Associate Dean-CAS , ISB, Mr. Amit R Verma, Sr. VP, Digital Transformation for Procurement & Supply Chain Reliance Industries Limited , Mr. Sharad Joshi, Head – 4.0 Implementation AS, HVE India & Global IT Center – GEA/OD, BASF Chemicals India Pvt. Ltd , Dr Ashish Manchanda, MD, Finder India Ltd . The panellists shared insights into where the organizations have reached in digital journeys and how they are preparing for the next wave of greater human machine interactions. Dr Chandan Chaudhary brought in the perspective of academia and developing workforce for the future.

# **SURFACE ENGINEERING**

## **& Corrosion Control World Expo 2022**

### **CORROSION PREVENTION TECHNOLOGY AND INNOVATION**

10<sup>th</sup> June 2022

*Chief Guest, Mr Suresh Prabhu, Member of Rajya Sabha, Govt. of India inaugurated the conference.*

*(LtoR): Mr. Hemant Shetty, CEO, Jasubhai Media & Chemtech, Mr Rajeev Mathur, Advisor Cairn Oil & Gas presented concluding remarks. Mr. B Narayan, Group President- Procurements & Projects, Reliance Industries , Mr R K Srivastava, Director Exploration, ONGC Ltd, Mr. Pankaj Kumar, Director Offshore, ONGC and Mr K L Batra, Advisor Chugoku Paints India in the inaugural session.*

Integrity of assets goes a long way to ensure sustainability of the industry, protection of assets and sustainable growth with least impact on the environment. Highly corrosive nature of Energy & Chemicals nature makes these industries highly hazardous in nature and constant threat to the People, Process Plants & Planet. Mr R K Srivastava, Director Exploration, ONGC Ltd, led the conceptualization of conference program as the Chairman Surface Engineering & Corrosion Control World Expo 2022 with support of Mr K L Batra, Advisor Chugoku Paints India as the Conference Convener. One day conference on the theme 'Corrosion Prevention Technology & Innovation' received active participation of major users from Oil & Gas, Power, LNG, Refining and Chemical industries

Technical sessions were curated to have a mix of leaders from practices of maintenance & safety from users industries and technology & services providers to holistically cover individual perspectives and highlight possible solutions at the end of each session as take aways.

( L to R) Mr. Pankaj Agarwal , Zonal Head-Sales & Business Development (East), Jindal Stainless Limited, Mr. Jaydeb Manna, General Manager (Maintenance), Indian Oil Corporation Limited, Pipelines Division, Eastern Region Pipelines, Mr. Anil Kumar Das, General Manager, NTPC Energy Technology Research Alliance (NETRA), Mr. C. Mathavan, Executive Director, Asset Manager, ONGC, Mr. Partha Bose, Dy. General Manager -NG P/L (O&M),Gail India Ltd, Mr. Sathyapal P Nair, Country Manager -India, Winn & Coales (Denso) Ltd

( L to R) Mr. Maheshkumar Aradhye, Associate Vice President - R & D , Grauer and Weil India Ltd, Mr. Rajashekhar K, Bharat Petroleum Corporation Ltd, Mr. Rajes Bardia, General Manager , Research & Technology , Asian Paints PPG Pvt Ltd, Mr. Manik Kadam, Chief General Manager- Technical & Maintenance , Maharashtra Natural Gas Ltd

( L to R), Dr. Swastika Choudhury, Manager R&D, Shalimar Paints, Mr. Shekhar Joshi, MD, Chugoku Paints (India) Pvt Ltd, Mr. Sanjay Chowdhury, Business Head-Protecton Business, Berger Paints India and Mr. Debashis Mitra, GM-Technical (Inspection), HPCL

( L to R) Mr. Sanjay Chowdhury, Business Head- Protecton Business, Berger Paints India, Mr. Vishal Seth, Head - Sales & Business Development (West Region), Jindal Stainless Limited, Mr. Rajendra Khanolkar, Industrial Manager - Fluoropolymer South Asia, Chemours India Pvt Ltd, Mr. Shekhar Joshi, MD, Chugoku Paints (India) Pvt Ltd, Mr S Ravichandran, Senior Manager (T&D) , Berger Paints India Limited, Mr. Sathyapal P Nair, Country Manager -India, Winn & Coales ( Denso) Ltd. & Mr. Hemant Shetty, CEO, Jasubhai Media & ChemTECH

# Student Outreach Program

2022  
Develop Future Leaders

9<sup>th</sup> & 10<sup>th</sup> June 2022

*Mr Yatinder Pal Singh Suri , Mr Sanjay Khanna, Prof (Dr) Sunil Bhagwat, Mr Richard Lobo & Dr SSV Ramakumar*

Chemtech organized the program in partnership with ICT Mumbai under the Chairmanship of Prof Dr Sunil S Bhagwat, Professor of Chemical Engineering , ICT Mumbai. Over 200 students attended Icon Lectures & interaction with Industry Leaders, session on Industry Expectations from young engineers aspiring to join energy & chemical industries and Entrepreneurship.

Dr SSV Ramakumar, Director R&D, IndianOil, Mr Sanjay Khanna, Director Refineries, BPCL; ISRO, Mr U K Bhattacharya , Director Projects , NTPC , Mr R K Srivastava , Director Exploration , ONGC, Dr Venkitakrishnan PV, Distinguished Scientist & Director (Retd.), Prof Satish Dhawan Scientist. ISRO HQ, Mr Rajeev Mathur, Advisor, Cairn Oil & Gas , Dr. Richard Lobo, Director Innovation, TATA Chemicals Ltd addressed and interacted with the students.

*Students listen in rapt attention*

*Mr. Pravin Mukim, Mr. Tej Dialani , Mr Yatinder Pal Singh Suri, Dr V R Menon, Mr Abhishek Shende*

Mr Pramod Khosla, CMD, Khosla Profil Ltd shared his entrepreneurial journey of 3 decades. Ms. Salony Luthra, Director, Sukhras Machinery Ltd, a successful entrepreneur and an actress of multilingual films spoke to students about the highs and lows of journey. Ms Lekha Nirmal, Co-Founder & CEO, P Mech Consultants Pvt Ltd interacted with the students about her entrepreneurial venture and Dr Siddharth Das, Professor of Metallurgical and Materials Engineering, IIT Kharagpur informed the students about nitty-gritties and pre-prep to launch start-ups. Mr Praveen Saxena, Registrar, IICHe National Council chaired the session.

*Q&A with students*

# 2022 Student Outreach Program

Develop Future Leaders

9<sup>th</sup> & 10<sup>th</sup> June 2022

(L to R): Mr Yatinder Pal Singh Suri, Mr R K Srivastava, Dr Venkitakrishnan PV, Mr Rajeev Mathur, Mr U K Bhattacharya

HR Professionals Dr V R Menon , DGM (L&D) IndianOil , Mr Abhishek Shende, Head - Talent Acquisition & HRBP – GBA, India, BASF Chemicals India Pvt Ltd and Mr Pravin Mukim, CMD, Symphoni HR shared the expectations of the industry from young aspirants and the traits the industry looks for while hiring the trainees at the entry level.

Student Volunteers Eby Biju, Shruti Dongre and Varsha Bhat from Datta Meghe College of Engineering

*Mr Praveen Saxena, Mr Yatinder Suri, Ms Lekha Nirmal, Ms Salony Luthra & Mr Pramod Khosla*

More than 19000 industry professionals visited the 4 day tradeshow to experience latest technologies & equipment display by over 300 exhibitors & partners. Over 150 speakers of global acclaim deliberated over the topics of highest relevance in concurrent conferences on EPC, Refining & Petrochemicals, Specialty Chemicals, Industry Automation and Surface Engineering & Corrosion Control. Over 650 delegates attended the technical sessions and engaged with the key decision makers and subject matter experts. The industry leaders interacted with 200+ students of engineering & sciences during 2 days of Student Outreach Program.

*Students listen in rapt attention*
