Gas World Tech. IE 2021 Tentative Conference Program 25th & 26th October 2021

Transition to Sustainable Low Carbon Economy 1:00 pm onwards

Day 1: Monday, 25th October, 2021

| • | day, 25 th October, 2021 | |
|--|---|--|
| INAUGURAL SESSION | | |
| 1:00 pm – 2:00 pm | | |
| Chairman's Address | Mr. E S Ranganathan, Director Marketing, GAIL (India) Ltd | |
| (10 min) | & Chairman Gas World Tech. IE 2021 | |
| Keynote Address | Mr. Prabhat Singh, Chairman, India Gas Solutions | |
| (10 min) | | |
| Keynote | Mr. Gajendra Singh, Member PNGRB | |
| (10 min) | | |
| Special Message | Mr. Tarun Kapoor (IAS) , Secretary, Ministry of Petroleum | |
| | & Natural Gas, Govt. of India | |
| Concluding Remarks | Mr. Rajeev Mathur, President Policy & Growth, Cairn Oil 8 | |
| (5 min) | Gas & Convener Gas World Tech.IE 2021 | |
| SESSION 1: AVAILABILITY & SUPPLY OF LNG IN INDI | IA | |
| 2:10 pm - 3:25 pm | | |
| Session Chair & Moderator : Mr. V K Mishra, Directo | or Finance, Petronet LNG* | |
| (5 min) | | |
| Gas supply from upstream | Mr. Nakul Raheja, Country Manager – India , Shell | |
| (15min) | | |
| Domestic Gas Supply | Mr. Amit Mehta, SVP & Head Gases, Reliance Industries | |
| , | Ltd. | |
| Creating liquidity on availability of gas in Indian | Mr. Rajesh Mediratta, Director-Strategy, Regulatory & | |
| Market | Communication, India Energy Exchange | |
| Diversify & expand global partnerships on natural | Mr. Kevin Aylward, Principal Newfoundland LNG Ltd, | |
| gas and LNG imports | Canada | |
| | Q&A | |
| SESSION 2: DEMAND & NEW APPLICATIONS | | |
| 3:30 pm – 5:00 pm | | |
| Session Chair & Moderator : Mr. Neeraj Sinha, Advisor S&T Niti Aayog | | |
| | | |
| LNG Bunkering | Mr. Saunak Rai, Head of FueLNG, Deputy Chairman TC for | |
| LING DUILING HIS | I WILL SAULIAK NAL HEAU OF FUELING. DEDULY CHAITHIAH TO TOL | |
| LITO DUINCINIS | | |
| | LNG Bunkering, Singapore | |
| Growth of CNG & LNG in transportation sector & | | |
| Growth of CNG & LNG in transportation sector & lessons from China model | LNG Bunkering, Singapore Mr. P K Banerjee, Executive Director, SIAM | |
| Growth of CNG & LNG in transportation sector & lessons from China model Natural Gas in HVAC Applications | LNG Bunkering, Singapore Mr. P K Banerjee, Executive Director, SIAM Mr. Amit Sagdeo, Head of Cooling, Thermax | |
| Growth of CNG & LNG in transportation sector & lessons from China model Natural Gas in HVAC Applications Use of Gas in Water Transport | LNG Bunkering, Singapore Mr. P K Banerjee, Executive Director, SIAM Mr. Amit Sagdeo, Head of Cooling, Thermax Mr. Goutam Chakraborty, ED, CGD, GAIL India Ltd* | |
| Growth of CNG & LNG in transportation sector & lessons from China model Natural Gas in HVAC Applications Use of Gas in Water Transport Spotlight on natural gas vehicles- emerging trends | LNG Bunkering, Singapore Mr. P K Banerjee, Executive Director, SIAM Mr. Amit Sagdeo, Head of Cooling, Thermax | |
| Growth of CNG & LNG in transportation sector & lessons from China model Natural Gas in HVAC Applications Use of Gas in Water Transport Spotlight on natural gas vehicles- emerging trends and opportunities (LNG for trucking, CNG vehicles) | LNG Bunkering, Singapore Mr. P K Banerjee, Executive Director, SIAM Mr. Amit Sagdeo, Head of Cooling, Thermax Mr. Goutam Chakraborty, ED, CGD, GAIL India Ltd* Mr. A K Jana, Managing Director, Indraprastha Gas Ltd* | |
| Growth of CNG & LNG in transportation sector & lessons from China model Natural Gas in HVAC Applications Use of Gas in Water Transport Spotlight on natural gas vehicles- emerging trends | LNG Bunkering, Singapore Mr. P K Banerjee, Executive Director, SIAM Mr. Amit Sagdeo, Head of Cooling, Thermax Mr. Goutam Chakraborty, ED, CGD, GAIL India Ltd* | |

Day – 2: Tuesday, 26TH October, 2021

| NBD), Gujarat Gas Ltd* Q&A SESSION 4: Future Fuels: New & Alternate Energies 2:30 pm - 4:00 pm Session Chair: Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEE Hydrogen & Derivatives Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW Unlocking India's rural potential: Biomass utilization for Atmanirbhar Bharat Plasma Enhanced Gasification Mr. Jeffrey Surma, President & CEO, InEnTec Inc. Q&A SESSION 5: Technology Interventions 4:00 pm - 5:30 pm Session Chair & Moderator: Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Power2X Mr. Thomas Perschke, Director of Industry Management Marine & Offshore Oil & Gas, Vertical Market Management - Process Industry Industry Management | • | • | |
|---|--|--|--|
| Session Chair & Moderator: Mr. Ashu Singhal ED - CSPA, GAIL* Regasification Terminals Mr. Satinder Pal Singh, CEO, Adani Total Pvt. Ltd Transportation of Hydrogen Gas Mr. Davide Cirelli , India Country Manager , Snam Building agile gas infrastructure to reuse possibly for hydrogen delivery (gas & H2 mix) in future CGD , CNG , & LNG Infrastructure Mr. Nitish Agrawal, VP Commercial & Marketing (LNG & NBD), Gujarat Gas Ltd* Q&A SESSION 4: Future Fuels: New & Alternate Energies 2:30 pm - 4:00 pm Session Chair: Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW Unlocking India's rural potential: Biomass utilization for Atmanirbhar Bharat Plasma Enhanced Gasification Mr. Jeffrey Surma, President & CEO, InEnTec Inc. Q&A SESSION 5: Technology Interventions 4:00 pm - 5:30 pm Session Chair & Moderator : Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Mr. Thomas Perschke , Director of Industry Management Marine & Offshore Oil & Gas , Vertical Market Management - Process Industry Industry Management | 1:00 pm – 2:30 pm | | |
| Regasification Terminals Mr. Satinder Pal Singh, CEO, Adani Total Pvt. Ltd Transportation of Hydrogen Gas Mr. Davide Cirelli , India Country Manager , Snam Building agile gas infrastructure to reuse possibly for hydrogen delivery (gas & H2 mix) in future CGD , CNG , & LNG Infrastructure Mr. Nitish Agrawal, VP Commercial & Marketing (LNG & NBD), Gujarat Gas Ltd* Q&A SESSION 4: Future Fuels: New & Alternate Energies 2:30 pm – 4:00 pm Session Chair: Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW Unlocking India's rural potential: Biomass utilization for Atmanirbhar Bharat Plasma Enhanced Gasification Mr. Jeffrey Surma, President & CEO, InEnTec Inc. Q&A SESSION 5: Technology Interventions 4:00 pm – 5:30 pm Session Chair & Moderator : Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Mr. Thomas Perschke , Director of Industry Management Marine & Offshore Oil & Gas , Vertical Market Management - Process Industry Industry Management | | | |
| Transportation of Hydrogen Gas Mr. Davide Cirelli , India Country Manager , Snam Building agile gas infrastructure to reuse possibly for hydrogen delivery (gas & H2 mix) in future CGD , CNG , & LNG Infrastructure Mr. Nitish Agrawal, VP Commercial & Marketing (LNG & NBD), Gujarat Gas Ltd* Q&A SESSION 4: Future Fuels: New & Alternate Energies 2:30 pm – 4:00 pm Session Chair: Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW Hydrogen & Derivatives Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW Unlocking India's rural potential: Biomass utilization for Atmanirbhar Bharat Plasma Enhanced Gasification Mr. Jeffrey Surma, President & CEO, InEnTec Inc. Q&A SESSION 5: Technology Interventions 4:00 pm – 5:30 pm Session Chair & Moderator: Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Mr. Thomas Perschke , Director of Industry Management Marine & Offshore Oil & Gas , Vertical Market Management - Process Industry Industry Management | | | |
| Building agile gas infrastructure to reuse possibly for hydrogen delivery (gas & H2 mix) in future CGD , CNG , & LNG Infrastructure Mr. Nitish Agrawal, VP Commercial & Marketing (LNG & NBD), Gujarat Gas Ltd* Q&A SESSION 4: Future Fuels: New & Alternate Energies 2:30 pm – 4:00 pm Session Chair: Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW Hydrogen & Derivatives Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW Unlocking India's rural potential: Biomass utilization for Atmanirbhar Bharat Plasma Enhanced Gasification Mr. Jeffrey Surma, President & CEO, InEnTec Inc. Q&A SESSION 5: Technology Interventions 4:00 pm – 5:30 pm Session Chair & Moderator: Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Power2X Mr. Thomas Perschke , Director of Industry Management Marine & Offshore Oil & Gas , Vertical Market Management - Process Industry Industry Management | Regasification Terminals | Mr. Satinder Pal Singh, CEO, Adani Total Pvt. Ltd | |
| for hydrogen delivery (gas & H2 mix) in future CGD , CNG , & LNG Infrastructure Mr. Nitish Agrawal, VP Commercial & Marketing (LNG & NBD), Gujarat Gas Ltd* Q&A SESSION 4: Future Fuels: New & Alternate Energies 2:30 pm – 4:00 pm Session Chair: Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEE Hydrogen & Derivatives Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW Unlocking India's rural potential: Biomass utilization for Atmanirbhar Bharat Plasma Enhanced Gasification Mr. Jeffrey Surma, President & CEO, InEnTec Inc. Q&A SESSION 5: Technology Interventions 4:00 pm – 5:30 pm Session Chair & Moderator: Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Power2X Mr. Thomas Perschke , Director of Industry Management Marine & Offshore Oil & Gas , Vertical Market Management - Process Industry Industry Management | Transportation of Hydrogen Gas | Mr. Davide Cirelli , India Country Manager , Snam | |
| NBD), Gujarat Gas Ltd* Q&A SESSION 4: Future Fuels: New & Alternate Energies 2:30 pm - 4:00 pm Session Chair: Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEE Hydrogen & Derivatives Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW Unlocking India's rural potential: Biomass utilization for Atmanirbhar Bharat Plasma Enhanced Gasification Mr. Jeffrey Surma, President & CEO, InEnTec Inc. Q&A SESSION 5: Technology Interventions 4:00 pm - 5:30 pm Session Chair & Moderator: Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Power2X Mr. Thomas Perschke, Director of Industry Management Marine & Offshore Oil & Gas, Vertical Market Management - Process Industry Industry Management | | Dr. Klaus Brun , Director R&D, Elliott Group | |
| SESSION 4: Future Fuels: New & Alternate Energies 2:30 pm - 4:00 pm Session Chair: Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEE Hydrogen & Derivatives Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW Unlocking India's rural potential: Biomass utilization for Atmanirbhar Bharat Plasma Enhanced Gasification Mr. Nitin Shete, VP, Praj Industries Wr. Nitin Shete, VP, Praj Industries Uniocking India's rural potential: Biomass utilization for Atmanirbhar Bharat Plasma Enhanced Gasification Mr. Jeffrey Surma, President & CEO, InEnTec Inc. Q&A SESSION 5: Technology Interventions 4:00 pm - 5:30 pm Session Chair & Moderator: Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Power2X Mr. Thomas Perschke, Director of Industry Management Marine & Offshore Oil & Gas, Vertical Market Management - Process Industry Industry Management | CGD , CNG , & LNG Infrastructure | Mr. Nitish Agrawal, VP Commercial & Marketing (LNG & NBD), Gujarat Gas Ltd* | |
| 2:30 pm – 4:00 pm Session Chair: Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEE Hydrogen & Derivatives Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW Unlocking India's rural potential: Biomass utilization for Atmanirbhar Bharat Plasma Enhanced Gasification Mr. Nitin Shete, VP, Praj Industries Mr. Nitin Shete, VP, Praj Industries Wr. Jeffrey Surma, President & CEO, InEnTec Inc. Q&A SESSION 5: Technology Interventions 4:00 pm – 5:30 pm Session Chair & Moderator: Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Power2X Mr. Thomas Perschke, Director of Industry Management Marine & Offshore Oil & Gas, Vertical Market Management - Process Industry Industry Management | Q&A | | |
| Hydrogen & Derivatives Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW Unlocking India's rural potential: Biomass utilization for Atmanirbhar Bharat Plasma Enhanced Gasification Mr. Jeffrey Surma, President & CEO, InEnTec Inc. Q&A SESSION 5 : Technology Interventions 4:00 pm – 5:30 pm Session Chair & Moderator : Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Power2X Mr. Thomas Perschke, Director of Industry Management Marine & Offshore Oil & Gas, Vertical Market Management - Process Industry Industry Management | | | |
| Competitiveness & Sustainability, CEEW Unlocking India's rural potential: Biomass utilization for Atmanirbhar Bharat Plasma Enhanced Gasification Mr. Jeffrey Surma, President & CEO, InEnTec Inc. Q&A SESSION 5: Technology Interventions 4:00 pm – 5:30 pm Session Chair & Moderator: Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Power2X Mr. Thomas Perschke, Director of Industry Management Management - Process Industry Industry Management | Session Chair: Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW | | |
| utilization for Atmanirbhar Bharat Plasma Enhanced Gasification Mr. Jeffrey Surma, President & CEO, InEnTec Inc. Q&A SESSION 5 : Technology Interventions 4:00 pm – 5:30 pm Session Chair & Moderator : Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Power2X Mr. Thomas Perschke , Director of Industry Management Marine & Offshore Oil & Gas , Vertical Market Management - Process Industry Industry Management | Hydrogen & Derivatives | Mr. Hemant Mallya, Senior Program Leader. Industrial Competitiveness & Sustainability, CEEW | |
| SESSION 5 : Technology Interventions 4:00 pm – 5:30 pm Session Chair & Moderator : Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Power2X Mr. Thomas Perschke , Director of Industry Management Marine & Offshore Oil & Gas , Vertical Market Management - Process Industry Industry Management | - | Mr. Nitin Shete, VP , Praj Industries | |
| SESSION 5 : Technology Interventions 4:00 pm – 5:30 pm Session Chair & Moderator : Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Power2X Mr. Thomas Perschke , Director of Industry Management Marine & Offshore Oil & Gas , Vertical Market Management - Process Industry Industry Management | Plasma Enhanced Gasification | Mr. Jeffrey Surma, President & CEO, InEnTec Inc. | |
| 4:00 pm – 5:30 pm Session Chair & Moderator : Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Power2X Mr. Thomas Perschke , Director of Industry Management Marine & Offshore Oil & Gas , Vertical Market Management - Process Industry Industry Management | | Q&A | |
| Promoting Innovation & Entrepreneurship Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited Power2X Mr. Thomas Perschke, Director of Industry Management Marine & Offshore Oil & Gas, Vertical Market Management - Process Industry Industry Management | | | |
| Power2X Mr. Thomas Perschke , Director of Industry Management Marine & Offshore Oil & Gas , Vertical Market Management - Process Industry Industry Management | Session Chair & Moderator : Mr. Deepak Sawant, Managing Director, Maharashtra Natural Gas | | |
| Marine & Offshore Oil & Gas , Vertical Market Management - Process Industry Industry Management | Promoting Innovation & Entrepreneurship | Mr. Ramanathan Ramanan, Managing Director & CEO CMC Limited | |
| Automation, PHOENIX CONTACT Electronics GmbH | Power2X | Mr. Thomas Perschke, Director of Industry Management Marine & Offshore Oil & Gas, Vertical Market Management - Process Industry Industry Management and Automation, PHOENIX CONTACT Electronics GmbH | |
| | ТВА | Mr. S Murali, Sr. VP , Operations & Maintenance , MGL* | |
| Retro fitment of LNG Mr. Shishir Agarwal, MD, Shigan Quantum Technologic Ltd. | Retro fitment of LNG | Mr. Shishir Agarwal, MD, Shigan Quantum Technologies Ltd. | |
| Q&A | | | |

Bold- Confirmed *Invited TBA – To Be Announced
